### I-10 widening to cause road restrictions in SW Valley

Apr. 14, 2008 09:41 AM  
The Arizona Republic

Construction work related to the Interstate 10 widening will cause some temporary road restrictions.

Estrella Parkway/PebbleCreek Parkway will be closed at the freeway underpass on weekdays, beginning Tuesday. At least one lane in each direction will be open to traffic on weekends. The closures are expected to last three or four weeks.

Litchfield Road will close at the underpass on Tuesdays, Wednesdays and Thursdays, beginning April 30. The closure could last up to a month.

To get from one side of the freeway to the other, the best alternatives are Bullard Avenue, Dysart Road and Cotton Lane.

The on and off ramps at I-10 at Estrella Parkway/PebbleCreek Parkway and Litchfield Road will remain open during most of the construction work, but traffic may be restricted as needed.

Information: Visit the Arizona Department of Transportation's Web site at [www.az511.gov](http://www.az511.gov).
